Dutch Demography Day 2017

The Netherlands Demographic Society (NVD) invites you to join the 10th edition of the Dutch Demography Day.

The most recent findings in the field of population studies will be presented at this conference, including fertility and the family, migrants and national and international migration, health, mortality and longevity, population ageing, population growth/decline and urbanization.

DDD 2017 convenes in the Academy Building of Utrecht University on Domplein, Utrecht.

Call for Abstracts/Proposals

Abstracts from a wide variety of disciplines including sociology, economy, health, history and planning are invited. Abstracts (300 words) can be submitted until **Friday 15 September 2017** at www.nvdemografie.nl.

At **DDD 2017** other formats than sessions, such as workshops, panel discussions and the like are invited. Write us (demografiedag@gmail.com) if you have a proposal (300 words) for a 60-minute time slot.

Authors will be informed by the end of September whether their abstract has been accepted for presentation in one of the parallel sessions or in the poster session. Authors who wish to only present and pitch a poster can indicate this preference when submitting their abstract.
